Recent Reviews

"...Director Jatinder Verma has reinstated the principal boy played by a woman, in this instance the sharp-witted Sohm Kapila. So rare is this form of casting today, that thanks to killer timing and a sense of the absurd, Kapila nearly steals every scene she is in."

*The Stage Review - Bollywood Jack *****

"...Sohm Kapila's performance strikes a chord with every woman in the audience as the ever-loving and supporting wife of an ambitious musician."

*British Theatre Guide - Britains Got Bhangra ******
